BEYC MILESTONES & MEMORIES

Cast off the Bowlines.

Since 1973, the Hokin family envisioned Bitter End as a family retreat focused on adventure and the art of having fun-together. Since then, it has organically evolved into a magical place captivated by families across the globe who want to cherish life's major moments.

*“We are on a three generation holiday
vacation and everyone is happy.”*

- Nancy M. Better, The New York Times

From multi-generational reunions to intimate first (or 81st!) birthday parties, Bitter End's singular dedication to family makes it ideal for hosting gathering events with attendees of all ages. Children can experience watersports and learn to sail, while adults can enjoy every amenity, from spa services to scuba diving.

*“We met new friends that we’ll
have for life and we’re already
looking forward to going back.”*

We also have ideal settings for unforgettable events. We can host gatherings up to 300 guests and have multiple locations tailor-made for celebrations across our 64 acres. Our popular seaside West Deck includes a full-service bar, boasts spectacular sunset views and is just steps from the pool. Boat lovers can arrange a flotilla at our Quarterdeck Marina for up to 25 boats. More intimate groups can enjoy private gatherings on one of Bitter End's three beaches, aboard our Club Fleet, or at any of our seaside eateries. The Owners Compound is an ideal setting for Family Milestone events. Featuring the Owners Suite, two connecting Reef Bungalows and the Summer House, it provides families the perfect place to gather, relax and celebrate. And if there is a theme for your event, we are happy to carry it through from beginning to end.

OWNER'S COMPOUND & SUMMER HOUSE

This covered, open-air great room offers Bitter End's most breathtaking views and is perfect for al fresco entertaining. Host up to 20 guests for a relaxed meeting or an exclusive meal, both of which can be custom-catered by our Bitter End team. The space is also connected to the Owner's Suite, where Bitter End's proprietors stay when they are on island, and to two Reef Bungalows.

Experiencing this extraordinary place together leads to incredible memories and forges deep bonds. Many groups return again and again to mark additional milestones over the years. We couldn't be happier that so many people chose to commemorate these important moments at Bitter End.
