TIE THE KNOT

Your 64 Acres on Virgin Gorda. Unforgettable.

Love and celebration are at the heart of Bitter End. Founded as a family retreat, our intimate island getaway still values extraordinary experiences and the relationships they cultivate over all else. This spirit permeates our resort and ensures that every wedding hosted here is exceptional.

"This place is magic!"

- Honeymoon Couple

Let Bitter End's natural beauty be a stunning backdrop for your affair. Our 64 unspoiled acres are nestled in a protected cove on the east end of Virgin Gorda and are reachable only by water. In addition to the jewel-toned surroundings, gentle breezes and lush greenery, our resort offers luxury amenities and unique activities that will make the stay magical for both you and your guests.

“Escape to paradise. From start to finish we had an excellent vacation here with superb views, food, service and accommodations. We are already planning to go back.”

- TripAdvisor Guest

Our wedding and vow renewal offerings are as diverse as our island activities, meaning you can customize your getaway exactly as you like. Whether it's arranging a wedding week regatta for a large party or pulling off an intimate elopement, our personal event planners are experts in their field and happy to help arrange every detail. Private water excursions, open-air rehearsal dinners and intimate champagne toasts are all at your fingertips. Even if you'd like to have the entire resort to yourself, we can arrange it—we want everything to be just as you've dreamed.

“Paradise. Enough said.”

BEYC boasts locations for every style celebration with just one thing in common—some of the world’s best views.

KNOT POINT

Be wed over water. Wedding Point is our private bohio, built on stilts so it stands out over the clear blue waters of North Sound. It is ideal for intimate gatherings and elopements. When it's time to say “I do,” a chauffeured resort taxi will pick you up from your bungalow and take you to the Point, where your officiant, photographer and champagne await. Following the seaside ceremony, celebrate with a special dinner at the resort.

A MILE OF CARIBBEAN SHORELINE

Lose your shoes and take your vows with your toes in the sand. Enjoy the sunset over North Sound while you and your guests dance and dine at the water’s edge.

POOLSIDE

Perfect for those seeking a private affair full of Caribbean soul. Invite close friends and family to a ceremony on South Beach before hosting your own Caribbean barbeque at The Poolhouse. The pool and surrounding area are yours for the evening, as are the incredible sunset views overlooking North Sound.

style amenities are perfect.”*

NAUTICAL NUPTIALS

Say "I do" on shore before setting sail on *Paranda*, our 48-foot catamaran, or aboard our 60-foot *M/V Corinthian*. You'll toast at sunset while exploring the North Sound newly married. Upon your return to land, you'll enjoy a private dinner on the Owners Terrace, where our expert staff will attend to your every wish for an unforgettable celebration.

WEST DECK WEDDINGS

Enjoy the best of Bitter End, all in one evening. You'll exchange vows along the North Sound just before the sun sinks into the horizon. Then, dance and dine the night away to the sounds of Caribbean steel drums floating along cool sea breezes. Enjoy a final toast poolside before retreating to your private bungalow.

DOCKSIDE UNIONS

Attached to your boat docked at the Quarterdeck Marina? No need to step off the docks to tie the knot at Bitter End. Host your affair dockside. For intimate events and elopements for less than ten guests, say I do dockside followed by a celebratory dinner at The Clubhouse.

“It could not have been a nicer place for my daughter’s wedding, serviced by some of the best, with everyone having the time of the lives.”

- Father of the Bride
